

Result of Research Paper Competition (Summer-2007)

The Council of the Institute selected *“Challenges and Opportunities in Micro Finance”* as the topic for the Research Papers Competition (Summer-2007). The Institute received 50 papers for the competition. Governor, State Bank of Pakistan and President of IBP Dr. Shamshad Akhtar constituted a four-member high level panel to judge the papers and grade them for the award of gold medal and prizes. The panel observed that 19 papers did not conform to the stipulated rules and accordingly were excluded from the competition. The panel after detailed scrutiny finalized the result.

IBP family would like to express its heartiest congratulations to all the winners and pray for their higher success in times to come. The list of winners is as under:
